COPAC President Lands Sponsorship with NELO MAR KAYAKS:
Sponsorship For Success

The **Pan American Canoe Confederation (COPAC)** is pleased to announce its agreement of sponsorship with **NELO M.A.R. KAYAKS LDA**.; the largest canoe-kayak manufacturer in the world.

"This is the beginning of what we expect to be a long-lasting agreement with a prestigious company for the benefit of canoeing in the American Continent. Nelo has been present not only at the Pan American Championships and other prestigious events, but is also part of the daily life of our clubs and Federations; providing boats and services of highest standards to the satisfaction of our paddlers" said the COPAC's President, Dr. Cecilia L. Farias.

The starting point will be the support for the Paracanoeing COPAC's Programme, towards the inclusion in the Para-Pan American Games, Lima 2019.

From its side, the NELO MAR KAYAKS LDA. General Manager, Mr. Manuel Ramos said "More than ever the union within our sport is essential to face the future challenges, the competition is fierce and we as part of this sport must do all within our possibilities to make it a stronger and more represented sport. The challenge presented to us by COPAC with a clear agenda and targets matches perfectly our line of thinking. "

Best of success is expected from such a prestigious alliance.
